

Glenview Park Foundation Projects

Proceeds from the Firecracker Classic Golf Outing have helped to fund a number of projects including:

- Flick Park Playground
- Jackman Bear Fountain and Centennial Plaza development
- Park Center artwork including the fireplace mural and circle of peace sculpture.
- Community Park West Playground
- Construction of the Wagner Farm Heritage Center
- Recreational equipment for the new Glenview Youth Services facility.
- New playgrounds at Attea and Springman Schools
- A grant to fund recreation program scholarships for Glenview children.

Currently the Foundation is partnering with the North Suburban Special Recreation Foundation on a major renovation of the Willow Park Fieldhouse for use and a neighborhood meeting place and a program space for persons with disabilities. To date, the two Foundations have contributed \$200,000 towards this project which will be completed by the end of this fall.

OUR HISTORY

The Glenview Park Foundation was formed in 1996 with the goal of supporting the park district in the delivery of recreation programs, services and facilities as well as providing healthy recreational events for the Glenview community.

Since its inception, the foundation has raised more than \$2 million through fundraising events like the 3v3 Soccer Fest and the Firecracker Classic Golf Outing. These funds have been used to build playgrounds, recast the Jackman Bear statue and build the surrounding plaza, provide community grants, and build parks and facilities throughout Glenview. It is an investment in the community's future; making Glenview an even better place to live.

Our Foundation is a 501(c)(3) non-profit entity.

Donations to the Foundation are tax deductible to the extent allowed by law.

“What a man does for himself dies with him. What he does for his community lives long after he is gone.”
