**GLENVIEW
PARK
FOUNDATION**

The Foundation is a 501 (c) 3 charitable organization whose mission is to support the provision of recreational facilities, programs and opportunities in the community.

Since its inception in 1996, the Foundation has raised over \$2.1 million to the benefit of the Glenview community.

This year the Foundation will be partnering with the Glenview Park District and the North Suburban Special Recreation Association (NSSRA) to transform the Willow Park Fieldhouse into a facility that will serve special needs populations as well as Glenview residents and Willow Park neighbors.

Approximately 60% of this \$350,000 project will come from charitable contributions.
