A photograph of a golf course with a path and trees. The path is a light-colored, winding road that leads through a lush green landscape. On the left side of the path, there are several large, mature trees with dense green foliage. The right side of the path is a well-maintained green lawn. In the background, more trees and a clear blue sky are visible. The overall scene is peaceful and scenic.

The Glenview Park Foundation donated  
**\$20K** in support of tree plantings  
at Glenview Prairie Club.
